

Monthly Report February 2026

Depot Report for February 2026

Planning for the resumption of the train car restoration is moving along. The Grant Committee will start working on another Heritage Capital Project grant to support interior restoration and are looking at both T-Mobile and Northern Pacific Railway Historical Association grants to support train restoration.

Directors Report – February 2026

Attending meetings once a month with Innovia for the Tekoa Theater project.

This is the busy season for tree sales for the lost apple project. Processing lots of orders.

Working with Hannah from the Perkins house on this summers event.

Ran the members and donor reports for Kathy for the newsletter.

Perkins House will reopen for visitors on March 1st. Nancy and I have been checking on the building during the winter months.

James Martin is going to do a presentation at the Pomeroy library on fixing clocks. I will advertise for him when the program is set.

Archive

Preparing lists of items and prices to purchase items for the Archive from Bob King funds.
